"All girls can become cute." What a lie... thinks Yuni. What changed Yuni like this were Yamato and Hiroto, the new brothers she got from her father's second marriage. They persuade her to perform in an audition. But Hiroto confesses to Yuni--who formerly got bullied for her "squish-face", so she's determined to become cute! What will be the conclusion for love and the audition?!

Then Doori Sakurada appears, too!
